All residents of the Parish of Brixton

Dear Resident,

South Hams District Council is working with Parish Councils and Neighbourhood planning groups to identify the housing requirements of local people and would be grateful for your help. This is particularly important as your parish is looking to develop a Neighbourhood Plan. This forms part of the evidence required when looking at plans and policies to shape your local area. Therefore we are distributing a questionnaire in partnership with Devon Communities Together (DCT). DCT is an independent non-profit-making charity, part of the Devon Rural Housing Partnership, and will produce an independent report.

Households in Brixton parish are being asked to answer a few questions to provide up to date information about local housing requirements. This information will help the local authority to plan for new development as well as helping to shape planning policies. This will also identify the amount and type of housing which may be required.

The survey will only take around 10 minutes to complete and we would really appreciate you taking the time to respond. **None of the personal information provided on the form will be disclosed to any third parties, and will be seen only by DCT staff. No data will be published in the Report which can identify an individual.**

The survey will be hand delivered to every household in the parish. We understand that more than one household may live within one property for a number of reasons i.e. couple living with parents wanting their first home so each separate household should complete Section 2.

Please return the completed survey by **16th April 2016** in the reply paid envelope.

Once the results have been collated a report will be sent to the Parish Council for comments and can then be included on the Brixton Parish website – www.brixton-village.co.uk

If you are aware of anyone who has moved away from the Parish but would like to return we would also like to hear from them.

If you have any queries about the survey or need help with the form please contact Janice Alexander, Rural Housing Enabler on 01392 248919 or janice@devoncommunities.org.uk.

Once again thank you for taking the time to complete this questionnaire.
