Sherford

Planning and development of Sherford New Town is a major feature on the monthly Parish Council agenda. Parish Council representatives attend regular Sherford Liaison Meetings with Plymouth City Councillors, South Hams District Councillors and the Sherford Consortium to update on progress in the new town. South Hams District Council (SHDC) has approved a variation to the original planning application for Sherford and there will be a public consultation on the detail for the reserved matters. Cllr Helen Williams has been nominated by Brixton Parish Council to the Sherford Community Land Trust.

Planning

Throughout 2017 the Parish Council was consulted by SHDC on up to 40 planning applications, most of which required a site visit of a minimum of three councillors. The Parish Council objected to an application for circa 29 houses on a site originally identified as employment land at Canes Orchard; this was conditionally approved at South Hams Development Management Committee in May. The Parish Council objected to an application for 64 houses at Stamps Hill which was refused by SHDC in August. The Parish Council objected to an application for 25 bungalows for people aged over 55 at Venn Farm; a decision is due from the District Council.

Brixton Neighbourhood Plan

Planning remains a critical issue for the parish on the urban fringe of Plymouth. The Parish Council set up a Neighbourhood Plan Group in 2015. This group has met weekly and contributed to the consultation on the Plymouth, South Hams & West Devon Joint Local Plan. A six week period of further consultation with statutory consultees and in the parish on the final draft of the Brixton Neighbourhood Plan ended on the 12th of January 2018. The Neighbourhood Plan Group is now reviewing the plan in the light of the responses it received.

Traffic Management

The Traffic Management Group representing local people and Parish Councillors meets quarterly with Nick Colton, local Devon County Highways Manager, and Andy Potter PCSO. The group identifies issues of road safety and environmental matters relating to traffic and informs the Parish Council meetings for decisions. If you have concerns about road safety please let the Clerk, Kirstie Aldridge know - email: clerk@brixtonparishcouncil.org.uk or if you need to report a problem on the Highways <https://new.devon.gov.uk/roadsandtransport/report-a-problem>

Footpaths

The network of footpaths across the parish is walked by parishioners quarterly who give feedback on their condition to the P3 group (Parish Paths Partnership) ensuring that the paths remain safe and accessible. Please let Councillor Wakeham or Councillor Huxtable or the Clerk have any information on the state of the footpaths.

Dementia Friendly Parishes around the Yealm

Brixton Parish Council is part of Dementia Friendly Parishes around the Yealm project which works across the parishes of Brixton, Wembury, Yealmpton, Newton & Noss and Holbeton. It aims to support people with dementia and their families in these parishes to remain active and involved in the community. If you would like to know more please contact Maxine on 07450206312.

Community Emergency Planning

The Parish has a Community Emergency Plan and Community Emergency Team of councillors and local people. A copy of the plan will be placed on the Parish Council website once it is finalised.

Communication

All documents relating to the work of the Parish Council including the 'Welcome Pack', are available to view on www.brixtonparishcouncil.org.uk A Brixton Parish Council App is accessible via the 'app store'. To join this list please email clerk@brixtonparishcouncil.org.uk.
