

WELCOME TO THE JUNE/JULY NEWS BULLETIN FROM BRIXTON PARISH COUNCIL

Brixton Parish Council News Bulletin

Welcome to the June/July news bulletin from Brixton Parish Council (BPC).

BPC has resumed the quarterly news bulletin, having produced weekly newsletters during the COVID-19 lockdown.

In March this year Brixton Parish Council, as part of its Community Emergency Plan, set up a volunteer prescription pickup service in response to the COVID-19 lockdown. This service benefitted 70 residents in our community and all have said how much they have appreciated this.

It's now time to wind down this support that was needed during lockdown. Our Volunteers and Coordinators have been amazing, but they now need to get back to work and get their lives back too.

The last Volunteer pick up will be Thursday 9th July, with no volunteer prescription pick up after that, including for emergencies. There are various support options; no need for anyone to feel abandoned, or stuck.

A really strong community spirit has developed over the past three months and we don't want to lose that. There are lots of ways we can keep it going, so please keep suggestions coming. We are far from through COVID-19, but now are better able to understand and manage the risk. Meantime, sincere thanks to all our Volunteers and Prescriptions Coordinators from all of us.
