Brixton Parish Council News Bulletin

Welcome to the September news bulletin from Brixton Parish Council (BPC).

BPC has resumed the quarterly news bulletin, having produced weekly newsletters during the COVID-19 lockdown.

BPC are following guidance from Devon Association of Local Councils (DALC) and National Association of Local Councils (NALC) and continue to hold council meetings remotely and will do so for the foreseeable future. The meetings do follow the same format as the face to face meetings including the open forum, where all are welcome to join and discuss anything with councillors.

Land at Cofflete Creek

Work has been progressing with the stone wall being restored and fencing being erected. Cllr Parish will be looking for volunteers in the near future to progress the project plan.

Local Council Award Scheme

BPC is striving to achieve the coveted Local Council Award Scheme Quality Gold Award and have been working on a business plan which will be subject to a period of consultation. The details will be discussed at the next meeting of BPC and once completed be available on the website for your input. Look for the Business Plan Consultation.

Parking / Traffic Calming

Following on from the initial meeting regarding parking around The Green and traffic calming on Red Lion Hill / Stamps Hill, BPC employed a consultant to look at these locations. Look out for the consultation coming soon.

Community Speedwatch

Community Speed Watch in Brixton is looking for more volunteers to help reduce speeding traffic through Brixton Village. Community Speedwatch was created by Devon & Cornwall Police to encourage residents of local towns and villages to volunteer to carry out main road vehicle speed checks.

Full training, high viz jackets and support is provided. The sites where the Speedwatch teams are located are all risk assessed by the Police. To find out more please contact clerk@brixtonparishcouncil.org.uk.

Footpath 31

DCC have informed BPC of the planned 6 months temporary closure of Footpath No. 31, Brixton, starting on the 5th October 2020. The closure is necessary to enable demolition of the bridge. There is an alternative route which can be on the BPC website www.brixtonparishcouncil.org.uk

Plastic Free – Brixton

Brixton Parish Council has signed up to be a plastic free community - a SAS initiative. We have £1,062 to promote Brixton being plastic free and have some great ideas how we can promote this initiative in the community. This will be discussed further at the next meeting of BPC.

Cllr Terry Clegg - BPC Councillor

I was born and raised in Brixton parish and lived in the parish until my late twenties, moving to work in the music and leisure industry'. I returned to live in Brixton three years ago with my wife and son. I am now working in healthcare as a delivery driver. I am passionate about Brixton and the surrounding areas and I look forward to working with the parish council.

Forthcoming BPC Meetings:

Wednesday 30th September at 7pm
Wednesday 28th October at 7pm

All meetings are being undertaken virtually at present via the zoom platform. If you wish to join the meeting please find the zoom details on the agenda, BPC website or alternatively email clerk clerk@brixtonparishcouncil.org.uk
