## Sherford Open House drop-in sessions

Curious about life at Sherford? Have any questions about the development or work taking place?  
Keen to know more about the future of this growing community?

The Sherford Consortium invites you to a series of new, quarterly 'Open House' drop-in events. Whether you are already a Sherford resident, live locally, or have an interest in this unique new community, you are welcome to attend.

Taking place in Sherford's show homes, the sessions will be relaxed, free, and open to all. Take a seat on a sofa, meet the team behind Sherford, learn more, ask questions and give feedback.

Join the Sherford Consortium, site team, community leaders and representatives from the local authorities for any of the following Open House sessions:

### Dates for your diary:

Tuesday 3rd July 2018, 4-7pm, Taylor Wimpey show home

Tuesday 2nd October 2018, 4-7pm, Bovis Homes show home

Events will be signposted on arrival in Sherford.

Yours sincerely,

**The Sherford Consortium**

A partnership of Bovis Homes, Linden Homes and Taylor Wimpey.
